Additional Lyrics

2. I wish I could carry your smile in my heart,
For times when my life seems so low.
It would make me believe what tomorrow could bring,
When today doesn't really know, doesn't really know.
I'm. . . (To Chorus:)

3. I want you to come back and carry me home,
Away from these long, lonely nights.
I'm reaching for you. Are you feeling it too?
Does the feeling seem oh, so right?

4. And what would you say if I called on you now,
And said that I can't hold on?
There's no easy way, it gets harder each day,
Please love me or I'll be gone, I'll be gone.
I'm. . . (To Chorus:)

Additional Lyrics

2. Way down the street there's a lot in his place,
He opens his door he's got that look on his face
And he asks you where you've been
You tell him who you've seen and you talk about anything.

He's got this dream about buyin' some land he's gonna
Give up the booze and the one night stands and
Then you'll settle down with some quiet little town
And forget about everything.

But you know you'll always keep movin'
You know he's never gonna stop movin'
'Cause he's rollin', he's the rollin' stone.

When you wake up it's a new mornin'
The sun is shinin', it's a new mornin'
And you're goin', you're goin' home.

2. Go to see my baby again
And to be with some of my friends
Maybe I'd be happy then on Blue Bayou.
Saving nickels, saving dimes
Working 'til the sun don't shine
Looking forward to happier times on Blue Bayou.

I'm going back some day, gonna stay on Blue Bayou!
Where the folks are fine and the world is mine on Blue Bayou.
Ah, that girl of mine by my side, the silver moon and the evening tide
Oh, some sweet day gonna take away this hurtin' inside.
I'll never be blue, my dreams come true
On Blue Bayou.

2. You're playin' so cool
Obeying every rule
Dig way down in your heart
You're burnin', yearnin' for some...
Somebody to tell you
That life ain't a-passin' you by.
I'm tryin' to tell you
It will if you don't even try;
You can fly if you'd only cut...

3. Loose, Footloose

Shake it, shake it for me.
Whoa, Milo.
Come on, come on let's go.
Lose your blues,
Everybody cut Footloose.

Additional Lyrics

2. The old house is still standing tho' the paint is cracked and dry,
And there's that old oak tree that I used to play on.
Down the lane I walk with my sweet Mary, hair of gold and lips like cherries;
It's good to touch the Green Green Grass Of Home.

3. Then I awake and look around me at the grey walls that surround me,
And I realize that I was only dreaming,
For there's a guard and there's a sad old Padre, arm in arm we'll walk at daybreak,
Again I'll touch the Green Green Grass Of Home.

CHORUS:
Yes, they'll all come to see me in the shade of that old oak tree,
As they lay me 'neath the Green Green Grass Of Home.

Additional Lyrics

Verse 3:
Spoken:
Walking on the water, walking on the air,
That was the heart of the love we shared.
Do you keep a secret left untold
So you can't give love Heart And Soul?
I used to have a lover with the midas touch,
I turned to gold but he turned to dust.
Left me for another, I turned to stone.
Now give me love, Heart And Soul.

Sung:
A walk on the water, ooh,

Is all that I need,

But miracles are not happening.

Tired eyes, tears that dried
On the bed on the pillow where the love has died.
A turn of the key through the door you go.
Don't look back to hurt me more.
Everything you said just said it all.
Can't you try to...
To Chorus:

Living in a fantasy,
There's never any room to breathe.
Hoping every waking hour
You'll turn around and say that we can start.

Won't you even try to...
To Chorus:

They never will go back... and they're so lonely... Oh, they're so lonely... they're so lonely... they pray to die.

Just take a walk down Lonely street...to Heartbreak Hotel,
Where you'll be so lonely... and I'll be so lonely... We'll be so lonely... That we could die.

Additional Lyrics

3. She was always young at heart,
Kinda dumb and kinda smart and I loved her so.
I surprised her with a puppy;
Kept me up all Christmas eve two years ago.

4. And it would sure embarass her
When I came home from working late 'cause I would know
That she'd been sittin' there and cryin'
Over some sad and silly late, late show.
Chorus

5. She wrecked the car and she was sad
And so afraid that I'd be mad, but what the heck.
Tho' I pretended hard to be, guess you could say
She saw through me and hugged my neck.

6. I came home unexpectedly and
Found her crying needlessly in the middle of the day,
And it was in the early Spring
When flowers bloom and robins sing she went away.

7. Yes, one day while I wasn't home
While she was there and all alone the angels came.
Now all I have is memories of Honey,
And I wake up nights and call her name.

8. Now my life's an empty stage
Where Honey lived and Honey played and love grew up.
A small cloud passes overhead and
Cries down in the flower bed that Honey loved.

2. You are far
I'm never gonna be your star
I'll pick up the pieces and mend my heart
Maybe I'll be strong enough
I don't know where to start
But I'll never find peace of mind
While I listen to my heart.
People you can never change the way they feel.
Better let them do just what they will
For they will
If you let them steal your heart
People
Will always make a lover feel a fool
But you knew I loved you
We could have shown you all la la la la la la.

3. You are far
When I could have been your star
You listened to people
Who scared you to death and from my heart
Strange that I was wrong enough
To think you'd love me too
Guess you were Kissing A Fool
You must have been Kissing A Fool.

2. What will become of the restless kind,
Where do they go when they've done their time,
Wearin' their hearts out on the line for all to see,
Must be the gipsy in their soul,
They have a need to rock 'n' roll,
They always will, they're out there still,
They're The Night Owls.
To Chorus:

3. There's a bar right across the street,
He's got a need he just can't beat,
Out on the floor he shuffles his feet away, yeah, yeah,
He'll get the girl 'cause he looks so fine,
He's gonna win her every time,
He knows he will, he's out there still,
He's a night owl.

2. When you were just a stranger
And I was at your feet
I didn't feel the danger
Now I feel the heat
That look in your eyes
Telling me no
So you think that you love me
Know that you need me
I wrote the song, I know it's wrong
Just let me go . . .

D.S. And teacher
There are things
That I still have to learn
But the one thing I have is my pride
Oh so I don't want to learn to
Hold you, touch you
Think that you're mine
Because there ain't no joy
For an uptown boy
Who just isn't willing to try
I'm so cold
Inside.

All through the day and all through the night,
I'll give you all the love I have with all my might, hey, hey!

Ooo, listen baby, I won't ever make you cry, I won't let one day go by

I wanna let you know, I won't let you go.
Ooo, feels so good!

2. My friends from college, they're all married now; they have their houses and their lawns.
They have their silent noons, tearful nights, angry dawns.
Their children hate them for the things they're not; they hate themselves for what they are;
And yet they drink, they laugh, close the wounds, hide the scar.
Chorus

3. You say that we can keep our love alive. Babe, all I know is what I see.
The couples cling and claw and drown in love's debris.
You say we'll soar like two birds thru the clouds, but soon you'll cage me on your shelf.
I'll never learn to be just me first, by myself.
